LIST OF SCHEMES

1 | Introduction

This is my introduction.

1.1 Underwater basket weaving

Here is a short overview of underwater basket weaving.

1.1.1 Freshwater basket weaving

This joke is wearing thin, so here's the difference between subsub-, sub-, and sections.

Lakes

Notice that subsubsections are un-numbered and do not appear in the TOC.

Rivers

Ponds

1.1.2 Saltwater basket weaving

1.2 Open questions

Here is a short section on gaps in the literature for underwater basket weaving.

2 | Methods

Whatever my methods, I need to keep in mind the importance of reproducibility. ¹

Figure 2.1: This is a longer caption that actually explains the impact of independent variable X on the response of Y, a critical value that explains the weave quality.

Table 2.1: Long table title for content

3 | Conclusion

A | Appendix

This is an appendix.
